## About This Game

Somewhere between a platformer, a puzzle game and a great big dollop of pure fun, Fly'N will challenge your skills through more than forty levels set in a luxuriant world featuring charming visuals.

Experiment with the four Buds and their individual powers to save the World-Trees from Dyer, the loony hair-dryer who intends to destroy their Helys! Redistribute the Helys and play with the environment to free the inhabitants of Helicia.

It's up to you to control the Buds: four different characters with unique powers, guardians of the World-Trees. Watch out - Their path is peppered with pitfalls, each one more hazardous than the rest! When you find yourself in a tricky situation, you'll have to figure out the right combination of powers and actions that will save the day...
